Cup of Endeavour

Zaid Asvat

I extend a warm welcome to all members of our school community as we commence Term Two. It is my sincere hope that this term will see us collectively embody our school motto, **"Thrive in 2025."**

On a matter of important note regarding school uniform, I wish to provide the following clarification:

We acknowledge the recent decrease in temperature. To ensure the comfort and well-being of our learners during this transitional period, students are currently permitted to wear either the full winter school uniform or the full summer school uniform.

Please be advised that effective Monday, 5 May 2025, the wearing of the full winter school uniform will become mandatory for all learners. Your cooperation in ensuring adherence to this directive is greatly appreciated.

Bidding a fond farewell to the phenomenal Mrs. Crawley

For the past five wonderful years, Mrs. Crawley has been an absolute inspiration here at BPS, leaving an indelible mark on our school. Every student who had the privilege of entering her classroom felt her radiant warmth and genuine passion for teaching. The chorus of adoration from her grade 2 students speaks volumes, she has a remarkable gift for making each child feel truly seen, valued and inspired.

And let's not forget the incredible grade 2 playground – a brilliant initiative that will bring smiles to countless faces for years to come – a true Crawley original! This project was a testament to her vision and a joyful legacy she leaves for generations of BPS children to enjoy.

Mrs. Crawley, you have been more than a colleague; you have been a cherished friend, a guiding mentor, and a true embodiment of all that is magnificent within these walls. While we will deeply feel your absence, we send you off with hearts full of gratitude and resounding cheers for your future success.

Intern Extraordinaire Takes on Two Oceans

Our very own Claude Pentz, one of our incredible interns, recently conquered the iconic Two Oceans Marathon in breathtaking Cape Town. Imagine the stunning coastal views as Claude powered through the epic 56km ultramarathon.

Claude was absolutely captivated by the experience, raving about the sheer beauty of the scenery and the incredible energy of the massive crowd. Her enthusiastic recommendation? Everyone should experience this incredible race at least once in their lifetime. Talk about inspiring – a testament to personal achievement and the sheer joy of movement in a spectacular setting. Way to go, Claude!
