Grade 7 Natural Science and Technology (NST) Educator

Position: Grade 7 Natural Science and Technology (NST) Educator

Contract Duration: Full Time

Remuneration: Market Related

Overview

The School Governing Body (SGB) is seeking a highly motivated and qualified Grade 7 Natural Sciences and Technology Educator to join our Senior Phase team. As the final academic bridge before our learners transition to high school, this vital role requires a passionate specialist with a strong command of the CAPS curriculum, a passion for scientific inquiry, and a hands-on approach to technological innovation.

Key Responsibilities:

- **CAPS Alignment:** Plan, prepare, and deliver engaging Natural Sciences and Technology lessons in strict accordance with the CAPS curriculum (Senior Phase).
- **Assessment & Practical Work:** Create, moderate, and implement formal assessments, including theoretical examinations, practical experiments, scientific investigations, and research projects.
- **High School Readiness:** Bridge the academic gap between Primary and High School by strengthening core scientific concepts and technical vocabulary, and principles.
- **Discipline & Classroom Management:** Maintain a structured, safe, and inclusive learning environment, with a strong emphasis on laboratory and workshop safety during practical experiments and building projects.
- **Administrative Accuracy:** Maintain precise, up-to-date mark sheets, attendance registers, subject files, and learner profiles in alignment with school policies.
- **Extra Mural Involvement:** Actively contribute to the school's extra mural, sporting, and cultural programs.
- **Professional Development:** Engage in SACE accredited workshops and stay current with modern pedagogical trends and practical methodologies in STEM (Science, Technology, Engineering, and Mathematics) education.

Essential Requirements:

- SACE Registration Certificate
- Police Clearance Certificate
- Detailed Curriculum Vitae
- Certified Copies of Degrees/Diplomas
- Certified Copies of Identity Document
